MENDOCINO COUNTY
AIR QUALITY MANAGEMENT DISTRICT

Carl Moyer Program Grant Funds Available

The Mendocino County Air Quality Management District has grant funds available for the State Air Resources Board Carl Moyer Program and will begin accepting applications as of October 1, 2015.

The Carl Moyer Program provides incentive funding for the replacement of older diesel engines with newer, low-emission diesel engines, alternative fuel engines, or electric motor replacement for certain applications. Grants cover the incremental difference of the cost for the purchase and installation of a low emission engine versus the cost of rebuilding the older, less efficient engine. More information on the Program is available online at: <http://www.arb.ca.gov/msprog/moyer/moyer.htm>.

The District is currently accepting applications for:

- On-Road heavy-duty vehicles (Fleets of 10 or less On-Road Vehicles only),
- Off-Road heavy duty equipment,
- agricultural pumps,
- marine vessels, and
- other eligible diesel-powered equipment.

Projects must meet the following criteria:

- On-road equipment must be 14,000 Lbs. GVWR or greater.
- Equipment must be operated in California at least 75% of the time.
- Projects must meet cost effectiveness standards (low-use equipment may not qualify).
- Emissions reductions must exceed the requirements of any applicable diesel regulation.
- New diesel replacement engines must be the highest Tier available.

Signed applications must be received at the District office no later than **1:00 P.M., Friday, October 30, 2015**. Incomplete applications may not move forward in the approval process.

Applicants must agree to operate the equipment funded by a Carl Moyer Grant for the life of the contract as determined by the type of project. Grants for equipment removed from service or sold during the life of the project must be repaid at a prorated rate. Approved projects under contract must be completed by June 1, 2017.

Application forms are available online at www.mendoair.org/carl-moyer.html, or at the District office located at 306 E. Gobbi St. in Ukiah.

If you have any questions please call the District office at 707-463-4354.
