

PLANT YOUR TREE:

A Beginner's Tutorial For Researching Your Family Tree, Using Ancestry.com

Starting October 19th,

Wednesdays at the Willits Library, 9:00 AM – 10:00 AM

Have you always wanted to know about your family tree, and don't know where to start? Then come on down to the library, and join us for some one-on-one assistance. Staff will walk you through basic searches, as you look for birth, death, marriage, census records, and much more.

**Sign up at the Public Service Desk – must have basic computer skills.
(Limit to five people per session)**
